Selling or buying Purebred Registered Sheep?

The Canadian Sheep Breeders' Association (CSBA) is dedicated to representing the Purebred Sheep Breeders across Canada. Purebred Registered Sheep signifies they have been registered with the Canadian Livestock Records Corporation (CLRC) and a certificate of registration will be provided with the sale of the animal. These records can be found online at www.clrc.ca and is the responsibility of the seller to pay for and initiate the transfer of the registration to the buyer.

These records will indicate the pedigree information and ownership status. We encourage you to confirm the animals you are interested in, are in fact purebred registered animals.

Under the Animal Pedigree Act, it is an offense to offer to sell, contract to sell or sell, as a purebred, any animal that is not registered or eligible to be registered as a purebred by the association authorized to register animals of that breed or by the Corporation.

If you are interested in purchasing any animals or are new to the industry, don't hesitate to reach out to any of the CSBA Board of Directors. CSBA is an organization of over 1100 breeders of purebred sheep across Canada, representing over 40 breeds of sheep.
