

Hello,

We would like to send you a few updates regarding COVID-19 and ask you to share this information in your networks. Please continue to consult the [AAFC website](#) regularly for updates.

1. Canada's response during the COVID-19 pandemic – Information and implications for the Agriculture and Agri-Food Sector

Agriculture and Agri-Food Canada has put together a table of the Federal Funding Programs available to support the Agriculture and Agri-Food Sector. The updated inventory is attached in French and English.

2. Food & Consumer Products of Canada (FCPC) - 3rd FCPC Member Survey

FCPC shared the results from the 3rd survey of its members since the COVID 19 pandemic began. The results show that even as the country begins to reopen, the nation's largest manufacturing workforce faces significant, ongoing pressures that will influence Canada's COVID-19 recovery and preparations for potential future waves of infection. Details can be found in the attached documents. (Only available in English)

3. CFIA – Update for labelling of foodservice packaged products during the COVID-19 pandemic

As indicated in the last information update, CFIA has extended its flexibility regarding certain labelling requirements for foodservice products that have no impact on food safety during the COVID-19 pandemic until to September 5, 2020. CFIA has since updated the information on its website and details on the extension can be found here [CFIA's information for industry webpage](#).
